

EUCALL's Synergy Board

Graham Appleby, European XFEL Facility
29.06.2016

The deadline for this Milestone has been shifted to 01 Jul 2016, with agreement by Andrea De Candido.

The EUCALL Synergy Board has been formed and consists of the following members, representing High-Power Laser (HPL), Free-Electron Laser (FEL) and Synchrotron Radiation (SR) facilities:

Catalin Miron - representing HPL and SR facilities (Synergy Board Chair)
Thomas Tschentscher - representing FEL and SR facilities
Ute Krell - representing SR facilities
Daniela Stozno - representing HPL facilities
Didier Normand - representing HPL facilities (*)
Josef Feldhaus - representing FEL facilities (*)

Members marked (*) are external members who were not already part of the EUCALL network. A third external member, representing SR facilities, may be added in the future if it is considered necessary.
